

113-115 AVENUE PUTMAN

THE VIEW IS BREATHTAKING!

Ideally situated in popular New Edinburgh, these uniquely designed 3 storey semi detached homes are located within walking distance of the trendy restaurants, shops, and coffee houses found within popular Beechwood Village.

The rustic modern homes consist of a stone, stucco and wood panel exterior, accented with timber detailing, rod iron brackets and glass railings, incorporating both new and old character of the neighbourhood. Some of the highlights include:

- interior and exterior parking;
- large master retreats with ensuites;
- two large secondary bedrooms with potential for more rooms in the basement;
- a beautifully designed kitchen area perfect for hosting dinner parties;
- multiple decks in addition to an exquisite roof top patio which is a staple for any Capital View Development home.

Don't miss out on this extraordinary opportunity!
